Determination of interest rate trigger

The Nykredit Group has finished its bond sales in connection with the refinancing of ARMs with interest rate adjustment as at 1 April 2018.

The interest rate level for 1Y bullet covered bonds which can trigger maturity extension at next year's refinancing has been fixed.

ISIN	Interest rate trigger
DK000950238-7	4,62%
DK000950246-0	4,70%
DK000950440-9	4,79%

Detailed information on interest rate triggers and the bond sales is available at nykredit.com/ir.
