Item 13.6. Legal and arbitration proceedings

Previous text has been deleted.

Instead, the following text has been inserted:

"In February 2010, Nykredit announced that it would increase margins on both new and existing mortgage loans to retail customers.

In June 2010, the Danish Competition Council overruled Nykredit's decision to increase administration margins as intended with reference to Nykredit's undertaking concerning administration margin adjustments in connection with its acquisition of Totalkredit in the autumn of 2003. The Danish Competition Appeals Tribunal upheld the decision of the Danish Competition Council on 2 December 2010.

Nykredit disagrees with the Danish Competition Appeals Tribunal that the announced administration margin increases conflict with the undertaking given in the autumn of 2003. Accordingly, Nykredit has brought the matter before the courts.

The Danish Competition Council has previously indicated that, under the circumstances and because of the nature of the undertaking and the time passed since it was made, it will examine whether market and regulatory conditions have changed to such an extent that the un-

dertaking should be cancelled or changed. In addition to bringing the case before the courts, Nykredit will therefore continue its dialogue with the Danish Competition Council in the hope of solving the case in this way.

Apart from the above-mentioned proceedings, Nykredit is not aware of any governmental, litigation or arbitration proceedings which may have, or which recently have had, a material impact on Nykredit and/or the Nykredit Group's financial position or results."
